

## Instructions

### Flex Peel & Stick Temporary Hoarding

Flex Peel & Stick Temporary Hoarding is a complex consumer product that allows a “semi skilled” building operator/security individual the opportunity to hoard broken secure glass in off hours omitting the need for a skilled double time labour rate. This Flex Hoarding peel and stick glass patch is to be used **ONLY** as a temporary barrier of the broken glass and does not provide for security purposes. You may install Flex Peel & Stick Temporary Hoarding immediately after breakage has occurred.

**FLEX PEEL & STICK TEMPORARY HOARDING IS ONLY FOR USE ON BROKEN GLASS THAT HAS NOT EVACUATED OPENING.**

**NOTE:** Please contact the dealer nearest you by visiting [www.flexhoarding.com](http://www.flexhoarding.com) to purchase product.

**NOTE: PLEASE READ ALL INSTRUCTIONS PRIOR TO INSTALLATION. SERIOUS INJURY OR DEATH IS POSSIBLE IF USED OUTSIDE INSTRUCTIONS.**

### INSTRUCTIONS:

1. Each package should include 2 pieces of chemically engineered 18” x 18” FLEX TEMP HOARDING, one pair of disposable safety glasses, one pair disposable of glass gloves, MSDS Data sheet, and illustrated instructions.

2. Remove disposable safety goggles from packaging and put on.
